The Show Must Go On
                             - Queen
INTRO
       verse 1
        Bm
Empty spaces - what are we living for
abandoned places - I guess we know the score
Em
            F#
                              Em
                                                   Em(b5)
on and on, does anybody know what we are looking for?
         Bm
Another hero, another mindless crime
               G
behind the curtain, in the pantomime
hold the line, does anybody want to take it anymore?
       chorus
                           G
           Bm
The show must go on, the show must go on, yeah,
inside my heart is breaking
  F#
my make-up may be flaking
    Em Em(b5)
                     Bm
                                 g# f#
but my smile still stays on.
       verse 2
      C#m
Whatever happens, I'll leave it all to chance
another heartache, another failed romance
             G#
on and on, does anybody know what we are living for?
                C#m
I guess I'm learning, I must be warmer now,
I'll soon be turning, round the corner now
  F#m
outside the dawn is breaking
                                             F#m
       G#
                                                           F#m(b5) Em
but inside in the dark I'm aching to be free.
       chorus
           Bm
The show must go on, the show must go on, yeah,
 Fm
inside my heart is breaking
my make-up may be flaking
        Em Em(b5) Bm
but my smile still stays on.

## **Chorus**

Bm (etc)

The show must go on, the show must go on, yeah, I'll face it with a grin I'm never giving in on - with the show.

I'll top the bill, I'll overkill, I have to find the will to carry on. Bm

The show must go on.
